

NLS Congress 2016 - Dublin

Restaurants

You may wish to know where to satisfy your hunger pangs during the days of the Congress.

Or, you may wonder where you may enjoy a fine dining experience in the city centre. We have compiled a list of eateries for your consideration to whet your appetite.

Dublin offers many such places aimed at a diverse range of tastes, specialties and budget. We consider the list of establishments below to be indicative rather than definitive. Dublin Castle as the venue for the congress is located off Dame Street which is itself teeming with choice. However, a very short walk will take you to Temple Bar, Dublin's "cultural and creative quarter" which is full of places to eat, drink and perhaps take in a visit to the National Photographic Archive, the Irish Film Institute or the Project Arts Centre.
